

Small Group: Food & Wine Tour

Indulge your passion for all things Italian with a memorable vacation designed to delight the senses!

Discover Florence * Siena * San Gimignano * Chianti * Pisa

Experience some of the many treasures offered in the wonderful Italian region of Tuscany. Visit renowned locations; learn the secrets of true Tuscan cuisine, taste local wines under the tutorage of the wine maker & stroll through historic streets. Enjoy a holiday experience focusing on life's finer things - food, wine, culture and time to relax and enjoy them all!

Stay @ the Rivoli Hotel – a boutique hotel originally built in the 15th century & once a Franciscan convent. This property has been fabulously remodeled but there are original classic ceilings, stone arches, cross vaults and antique pillars that give a wonderful original personality. The common areas of the hotel are charming & stylish, and the guest rooms are decorated with elegant and contemporary finishes - many of them face onto the patio and private inside garden.

You are ideally located in Florence, with the most important cultural attractions; the Duomo, Ponte Vecchio, the Uffizzi Gallery and the Academy of Fine Arts (where Michelangelo's famous David can be found), all within walking distance of the hotel.
